

A promotional poster for Ozzy Osbourne's tour. The top half features a photograph of Ozzy Osbourne standing on a rocky, snow-dusted mountain peak. He is wearing a dark, heavy coat and has large, white, feathered wings attached to his back. He holds a black flag on a wooden pole in his left hand and points upwards with his right hand. The sky is a dramatic, cloudy blue. In the foreground, the name 'OZZY OSBOURNE' is written in large, bold, red, 3D-style letters with black outlines, appearing to be carved into the rock.
